

Dr. Booker T. Washington was the guest of his son-in-law and daughter, Mr. and Mrs. W. Sidney Pittman, last Sunday.

Don't fail to order the anniversary edition of The Bee next month.

#### TESTIMONIAL TO LAYTON.

Next Monday, May 11, the citizens of this city will tender to Prof. John T. Layton a testimonial at the Metropolitan Church, M street between 15th and 16th streets northwest. Professor Layton is one of the best musical instructors in the United States and a man of great natural ability.

The patrons of this testimonial embrace all classes and some of the most distinguished men in this city. This is a deserving compliment to Professor Layton. There is no man in the public schools any more deserving. Let every citizen turn out and show his appreciation for the distinguished services rendered the schools by him.

#### EMOTIONAL NEGROES.

The best evidence of a Negro's cowardice is when he makes a loud noise. Read the anniversary issue of The Bee if you want to know what all these Negro organizations stand for, namely: The Afro-American Council, New England Suffrage League, and many more.

#### DELIVER US FROM THE PARTY OF VARDAMAN ET AL.

Lodge Journal and Guide, Norfolk, Virginia.

This newspaper is open and above-board with Senator Foraker for President, but if Taft becomes the choice of the party, there is nothing left to be done except hang with the party, or not to hang at all. Deliver us from the party of Tillman, Vardaman and others of their type.

#### A NEW STUDIO.

Messrs. Warren & Turner, two enterprising young men in this city, have opened a new ground-floor photographic studio at 128 Ninth street northwest. These young men are expert artists, who guarantee satisfaction to their customers. The opening took place Saturday, April 18th, and it was attended by some of the most distinguished citizens of both races in this city.

Neither gentleman needs any introduction to the people. Mr. Turner, especially, is known by all Washington, having been associated with some of the largest firms in this city. Mr. Warner is also an expert artist, and if you want first-class work call and give them a trial.

#### THE BEE IS ON SALE AT THE FOLLOWING PLACES IN THIS CITY:

Dr. A. S. Gray, Twelfth and You streets northwest.

Mr. M. Byrd, 1500 Fourteenth street northwest.

Mr. J. H. Ellis, 489 Missouri avenue northwest.

Mr. W. H. Lee, 920 Twentieth street northwest.

Cardinal Michel Logue, Archbishop of Armagh, and Primate of All Ireland (114th successor of St. Patrick) will arrive in New York this week for a visit.

Benjamin Postine, white, of New York city, was taken sick with a rare disease last week, which turned him black. The doctors are much puzzled; they think it was morbus maculosus. It is the first of its kind in this country.

One of the prominent Senators of the United States is the Hon. Charles Curtis of Kansas.

We notice a disposition on the part of the whites (that is, certain portions) to make mountains out of petty crimes committed by the Afro-American, and make light of the crimes, both criminal and petty, committed by their race. All these things should go to show the American Negro the necessity of cease firing and closing up. The natural results will be more respect from the white brother.

The various factions of Masons among our race had better, for reasons which we know are for the best, cease firing and make up. Every member of the Order should refresh on their obligations, etc.

## OPPORTUNITY For Young Men

lucrative salaries in all sections of the country, and especially in the South, for young men trained in agriculture. The demand for the graduates from this department of the Tuskegee Normal and Industrial Institute is so far in excess of the supply that we are offering special inducements to graduates of other schools, and persons sufficiently advanced in the academic branches to come here and pursue the courses in agriculture, including Farm Work, Dairying, Live Stock Raising, etc. An opportunity will be given a few earnest young men to work out all of their board while taking a course.

Those interested can secure full information by addressing

**FORD'S HAIR POMADE**  
Formerly known as "OZONIZED OX MARROW"

So STRAIGHTENS KINKY or CURLY HAIR that it can be put up in any style desired consistent with its length. Ford's Hair Pomade was formerly known as "OZONIZED OX MARROW" and is the only safe preparation known to us that makes kinky or curly hair straight, as shown above. Its use makes the most stubborn, harsh, kinky or curly hair soft, pliable and easy to comb. These results are obtained from one treatment; 2 to 4 days are usually sufficient for a year. The Ford's Hair Pomade removes and prevents dandruff, relieves itching, invigorates the scalp, stops the hair from falling out or breaking off, makes it grow and, by nourishing the roots, gives it new life and vigor. Being elegantly perfumed and harmless, it is a toilet necessity for ladies, gentlemen and children. Ford's Hair Pomade has been made and sold continuously since about 1880, and is "OZONIZED OX MARROW" was registered in the United States Patent Office, in 1881. Be sure to get Ford's as its name is on the hair STRAIGHT, SOFT and PLIABLE. Beware of imitations. Remember that Ford's Hair Pomade is put up only in 50 ct. size, and is made only in Chicago and by us. The genuine has the signature, Charles Ford, on each package. Refuse all others. Full directions with every bottle. Price only 50 cts. Sold by druggists and dealers. If your druggist or dealer can not supply you, you can get it for you from his jobber or wholesale dealer or send us 50 cts. for one bottle postal or \$1.40 for three bottles or \$2.80 for six, not ties, express paid. We pay postage and express charges to all points in U. S. and Canada. Send postal or express money order, and mention name of dealer to whom you wish to send and address plainly to:
